3. We will give you a time to come and collect your order
4. Please be prompt, as food will get cold and we want to stagger collection times
5. Please wait in the entrance corridor wearing a **face mask** and we will bring your order and the card payment machine to you
6. Whilst waiting, please adhere to our signage and comply with the current social distancing guidelines

Greek Feasts – 24hr notice

These require considerable preparation, so we would appreciate it if you could place your order the day before you need it. Please note that the last collection time will be at 9pm, when our kitchen closes.

We regret that we are not currently providing a delivery service as we are committed to a system that involves the least number of people handling your order.
